About Queen's University

Queen's University is the Canadian research intensive university with a transformative student learning experience. Here the employment experience is as diverse as it is interesting. We have opportunities in multiple areas of globally recognized research, faculty administration, engineering & construction, athletics & recreation, power generation, corporate shared services and many more.

We are committed to employment equity and diversity in the workplace and welcome applications from individuals from equity seeking groups such as women, racialized/visible minorities, Indigenous/Aboriginal peoples, persons with disability, persons who identify in the LGBTQ+ community and other who reflect the diversity of Canadian Society.

Come work with us!

JOB SUMMARY:

Reporting to the Director, High Performance Sport, the incumbent is responsible for the overall direction, planning, budgeting, coordination, implementation and evaluation of the Women's Basketball program at Queen's University.

The position requires extensive collaboration with all other members of the Athletics and Recreation department to ensure the appropriate level of service and support is provided to the inter-university team. Participating as a member of The High-Performance Sport unit, the incumbent assists in creating a departmental culture that embraces and supports athletes, coaches and teams in the pursuit of excellence. Further, the incumbent contributes to the formulation of programs and services that support general program development and the holistic needs of student athletes.

Community interaction and revenue generation are key strategic priorities for Athletics and Recreation (A&R). This will require close interaction with all other units within the Athletic and Recreation department, as well as the Alumni, the Office of Advancement, community partners, media and other related business and sport groups in the Kingston area.

The schedule for this position requires the incumbent to work evenings and weekends, according to program or area needs.

KEY RESPONSIBILITIES:

- Perform all coaching duties consistent with the operation of a successful Varsity Team program, including recruitment, team selection, personnel management, team performance planning, creating individual performance plans, tactical and technical preparation, practice planning and preparation, game preparation, management and evaluation, scouting, scheduling, budgeting, athlete performance target, evaluation framework and feedback mechanism, program evaluation, equipment and uniform purchase coordination, maintenance of regular contact with athletes, etc.
- In collaboration with the Director, design and implement a comprehensive high-performance plan that is conducive to positioning Queen's at a competitive level to achieve provincial and national prominence. The plan shall include financial and support services required from other A&R units, annual and quadrennial performance targets, budget framework, team revenue generation targets, performance gap analysis metrics to measure performance against agreed upon targets, strategies to address risk management issues, coach/manager reporting and feedback cycles, etc.
- Stay current with knowledge, trends and practices that are necessary to build and maintain a competitive program. Attend league meetings and ensure compliance with all league regulations, maintain positive relationships with other sport governing bodies at the local, regional, provincial, national and professional levels.
- Maintain a high profile in the sport locally, provincially and nationally acting as an ambassador and resource representing the team and university in public speaking appearance, clinics, camps (etc.) Enhance the visibility and image of and the program and university to contribute to the overall sport development in the community, region, province.
- In collaboration with the Marketing, Communication and Events Unit, collaborate on the development and implementation of a comprehensive sport promotion plan as part of the sport's high-performance plan. The plan shall include strategies for marketing, communication and promotion of the program, building campus and community awareness of team personnel/schedule, attendance at games and competitions, engaging alumni and booster clubs in fundraising initiatives, activating team personnel in events that promote and raise revenues in support of the team and A&R in general.
- In collaboration with the members of the high-performance unit, support and assist in

implementing programs and services that support student athletes, including maintaining accurate athlete records and databases, recruiting processes and protocol, admission cycle protocols, awards, bursary and scholarship protocols, academic support, eligibility, doping controls and other league competition requirements.

- Work in conjunction with other members of the A&R units to support athlete performance in each of their respective areas, such as injury prevention, management and rehabilitation, development of individual strength and conditioning programs, academic support programs, etc.
- Working with the Advancement Unit, the Campus Recreation Unit and the Finance and Administration Unit, to develop annual revenues that will support specific program costs by operating directly or assisting in the operation of; camps, leagues, clinics, tournaments, hosting PSO/NSO events, fundraising events, alumni events, donor engagement, donation programs and other such strategies developed by A&R.
- Under a common A&R communication strategy, work to build strategic relationships with sporting (and, where applicable, non-sporting) groups in the community to foster relationships, build networks, increase visibility, increase awareness, act as a resource, enhance community engagement, build loyalty and position the incumbent and Queen's as a sport leader.
- Participate in strategies and programs that increase the interaction of A&R, coaches and players with elementary schools, high schools, and community club programs in the Queen's catchment area. Engage in leadership capacities with OUA, U SPORTS, PSO, NSO, etc., that directly contribute to the development of the sport program and the visibility of Queen's as a national resource.
- At the request of the Director, Athletics and Recreation, serve on departmental or campus committees, working groups and/or task forces.
- The Coach is an integral member of the A&R team and as such is expected to support other programs, participate in department initiatives, attend events and take on annual projects as requested by the Executive Director, Athletics and Recreation and/or the Director, Business Development.
- Plans, prioritizes and manages the work of employees, providing strategic and tactical advice, guidance and coaching. Identifies the need for staff resources, participates on staffing committees, and makes effective recommendations regarding employee selection.
- Manages performance by establishing performance standards, reviewing and evaluating performance and conducting formal performance reviews on an ongoing basis.

- Assesses staff training and development needs, and ensures that employees receive training required to improve and sustain successful performance.
- Investigates, addresses and resolves employee/labour relations issues, including disciplinary matters. Makes decisions or effective recommendations on matters involving possible discipline, discharge and probationary termination.
- Promote diversity, equity and inclusion in the workplace.
- Other duties as assigned by the Director, High Performance Sport.

REQUIRED QUALIFICATIONS:

- Minimum 3-year post-secondary education, preferably in Physical Education, Kinesiology, Sport Administration or Sport Management. University degree preferred.
- Previous work experience (5+ years) working in sport administration, preferably within a university context.
- Experience dealing with and developing high performance athletes in a university environment.
- Satisfactory Criminal Records Check and Vulnerable Sector Screening required.
- Valid Province of Ontario Class G driver's license required.
- Demonstrated leadership, program development and athlete development skills at a high performance level.
- Post-secondary coaching experience is preferred.
- Fully certified as a Performance Coach (i.e. Level 3 equivalent) NCCP, and actively pursuing Advanced Performance Coach or High-Performance Coach (i.e. Level 4/5) status, preferred.
- Consideration may be given to an equivalent combination of education and experience.

SPECIAL SKILLS:

- Comprehensive knowledge of sport coaching systems and strategies, the ability to teach/coach/prepare for practice and games at a national level.
- Excellent communication skills; oral, written and presentation. Ability to interact professionally and effectively with people at all levels.
- Strong interpersonal skills, creative-thinking and the ability to work in a team environment.
- Must be service-oriented and be capable of dealing with a wide variety of constituents.
- A high degree of independence, allowing for initiatives to develop flexibly, quickly and appropriately.
- A proven ability to elicit and foster trust, develop positive working relationships and

work effectively with other coaches and athletes.

- Ability to facilitate groups of people to work towards, and succeed with, shared goals.
- Ability to exercise discretion, good judgement, solid decision-making and maintain ethical standards consistent with university policy.
- Organizational skills and time management abilities are essential. The incumbent must be result-oriented, assuming responsibility for development, implementation and completion of projects/initiatives.
- Knowledge of the university environment, rules, regulations, process and administration is desirable.
- Proficiency in computer software applications, including all Microsoft programs.

DECISION MAKING:

- Athlete identification, recruitment, awards, selection, playing time.
- Development of team tactics, strategies, practices and competition schedules.
- Setting and monitoring team goals, expectations, conduct, and discipline.
- Selection and directing coaching and team support staff.
- Public and media relations with respect to information/ accessibility to the program.
- Prepare budgets making decisions on what equipment, supplies and services are needed for the program.
- Decisions on prioritizing one's own duties and responsibilities.
- Evaluates job candidates and makes effective recommendations on suitable hires.
- Makes decisions and/or effective recommendations regarding transfers and promotions.
- Evaluates employee performance and decides on appropriate training or coaching to address lack of proficiency in carrying out responsibilities, or remedial action for staff disciplinary situations.
- Assesses investigation outcome of grievances and makes effective recommendations on appropriate course of action or next steps on grievances.
- Makes effective recommendations on level of discipline up to discharge and probationary termination.
